Occasionally it is necessary for the Lincoln Police Department to contact a key holder from your business after normal business hours. We would make contact in emergency situations such as fire or burglary. We would also make contact in situations such as alarms and open doors, as it is necessary for someone to secure the building. Please list (in order) the names and telephone numbers of up to three (3) people we should contact. Proprietors, please list yourselves if appropriate. Consider the distance between the individual's home and the business when making this determination.
