# *Good Morning Program*

### **About the Program**

The Good Morning Program has been a part of our police department for over ten years. This program was designed with the community's older residents in mind and provides a well-being check. It is available to the residents of both Lincoln and Woodstock.

### **How the Program Works**

Citizens on the program call in by 10:00 a.m. daily to say hello and let us know how they are doing. If no call is received and we cannot contact you, an officer will respond to your residence to make sure that you are okay.

### **How to Join**

This program is provided free of charge. If you, or someone that you know in the community, could benefit from this program, call us or stop by to pick up an enrollment form.
